

RESTAURANT BISTRONOMIQUE
& BAR À VIN

Come and discover the little plus of the Gallia hotel, its new place of mouth...

The new team of the Gallia hotel will present to you, for the pleasure of your taste buds Le Sens Unique, its new gourmet & locavore bistronomic restaurant.

Despite his career in the biggest houses, his chef does not like elitism, for him, gastronomy is more a question of desire, work and reflection than of means.

With local and seasonal French products, he will put all his know-how at the service a simple, generous cuisine, using the techniques of the great houses. Its menu and its seasonal menus will be composed exclusively of fresh and will offer hearty dishes combining traditions and flavors; they will be presented in warm copper sauté pans.

Throughout the afternoon come and enjoy a moment of relaxation around our tea room card... and from 6 p.m., in the wine bar area, a very nice selection wines from here and elsewhere will be offered to you to taste on the spot or to take away...

On site, a gourmet offer of tapas between land and sea or cooked will come complete our wine list.

*Our card & our menus
are being created,
they will be available online
very soon...*
